## Cancellation Policy for Nuclear Stress Tests

This statement is to advise that **our office must be notified of any cancellation at least 24 hours prior to the appointment.** This is necessary due to the preparation and expense involved with the nuclear isotope materials. These materials are costly and cannot be returned.

**Please be informed that in the event of a “no-show” or last-minute cancellation; you, the patient, will be responsible for the cost of these isotope materials. These costs will be \$160.00.** Please appreciate the importance of keeping your appointment with us on the day specified.

Thank you for your attention to this matter.

***I acknowledge that I fully understand the above statements and will comply with the policy.***
